We thought it would be cool to try and get everyone involved in our network, regardless of which club your from, what theories you have, whether your a true believer or a hardened sceptic, we want to hear.

It doesn't matter if you this is your first podcast or even if your a seasoned caster.

Paranormal podcast day will be ever Monday from 16:00 (4pm) GMT to midnight (GMT as well of course) Shows may over run if they are currently playing at midnight

So get your paranormal Podcasts in now, and be heard.

What's The Catch

No catch, just a couple of rules which we'll state now:

- No over excessive use of explicit language
- No Racists, sexist, or other illegal content
- No abuse of advertising

It could be stated as common sense really.

We will permit advertisements within the podcasts we stream, however it must not be over excessive, your content must be something our listeners will want to hear, and we know they don't want to be bombarded with ad after ad, plug after plug.

So if your going to promote your group or products then please feel free, but don't bloat it with ad's.

As a guide for every 45 to 50 minutes of quality content, it would be acceptable to use 10 to 15 minutes for plugs and ad's broken up into short ad breaks/commercials making a show total of 60 minutes.

We will accept paranormal podcasts of any duration up to 180 minutes in length, however it must be something that will keep people listening in. Most paranormal podcasts would last 60 to 120 minutes.

Your paranormal podcasts can cover just about any topic including but not limited too:

- + Ghosts
- + Spiritualism
- + Scepticism
- + UFOlogy
- + Myths and Legends

- + True Stories
- + Fictional Stories (providing you state so)

And more.....

To give us permission to broadcast your paranormal podcast you will need to sign a release form, this is only to ensure we can do so legally, and to show we have your permission.

Podcasts licensed under the creative commons are also permitted, and don't require a signed release form.

When does it start?

As soon as our radio is official launched it will start the following Monday.

If you wish to get involved then please do so via our contact forms and we'll get back in touch asap.
